

Transforming Phase

North (Destination of Impact):

- Where is the intervention leading us?
- What are the long-term impacts and benefits for individuals with disabilities?

West (Navigational Strategies):

- How do we navigate challenges and obstacles?
- What strategies are in place to ensure the intervention remains on course?

East (Empowerment Engine):

- What are the key drivers empowering individuals with disabilities?
- How is the intervention enhancing their capabilities and independence?

South (Foundational Roots):

- From where did we initiate the journey?
- What were the initial challenges and learnings in empowering individuals with disabilities?
